In submitting your fleece to Alpaca Ultimate you agree that:

- The fleece remains the responsibility of the grower until received by Alpaca Ultimate.
- The fleece is classed according to the Alpaca Ultimate fleece specifications and a grid test initiated by Alpaca Ultimate at the cost of \$1.32 per fleece which will be charged to the grower.
- If the fleece is over length, under length or has excessive vegetable matter making the fleece unusable it will **not** be returned to you. The fleece will be treated as 'skirtings' and you will be paid the current rate that Alpaca Ultimate yarns is receiving for its 'skirtings'.
- If a grid test for any fleece comes in over 28 micron the cost will be deducted from your payment.
